### WHY THIS PROGRAMME?

- ❖ The Banking sector is burdened with an increase in level of assets under stress and a number of Banks have reported loss or reduced profit in the fourth quarter of the financial year 2017-18 as a result of higher provisioning for NPAs.
- ❖ There is a felt need for skill improvement in credit analysis and financial appraisal across the financial sector. The Reserve Bank of India have also stressed the need for Banks to strengthen their due diligence, credit appraisal system and post sanction monitoring to minimise and mitigate the problems of increasing NPAs in the Banking sector.
- ❖ To know the importance of Financial Statements with establishment of proper relationship amongst different items of balance sheet including computation of important financial ratios.
- ❖ The skill of analysing financial statements and correctly appraising the credit requirement of borrowers is one of the key requirements of Bank officials looking after credit portfolios.
- ❖ We have carefully designed the present programme with a view to enhance and upgrade the skills of participants who are already working in the area of Credit Management and / or are about to take up responsibilities of Credit Portfolio.

### WHAT FOR?

- ❖ To enhance the skills for study of financial statements and establishing proper relationship amongst different items and computation of important financial ratios.
- ❖ To enhance the skills of participants in the areas of Credit Analysis and Financial Appraisal of loans.
